AT HOME ON THE RANGE

2018 was a monumental year in the 108-year history of Standard Golf Company. The Voorhees Family sold the business to the employees of Standard Golf. As such, Standard Golf is now a 100% employee owned ESOP. Pride in ownership and company is what allows us to continue to Set The Standard in Golf Course Accessories.

“Top quality products, like these range ball pickers, and providing the best value possible is Standard Golf’s mission. The true measure of excellence is having great people in place who consistently provide our customers with the ultimate buying experience.”

– Peter Voorhees, President

PUTT-SAVER TOURNAMENT FLAGSTICK

COMING SPRING 2019!

Beginning in January 2019, both the USGA and R&A have changed the rules of golf to allow a player to leave the flagstick in the hole while putting from the green. This new rule will help speed up play, but with Standard Golf's "Putt-Saver" Technology may also help you drain a few more putts.

The Putt-Saver Technology is a precisely tapered flagstick angled to direct your ball into the cup.

In addition to the Putt-Saver Technology, this new flagstick will also come in two pieces – saving costs when shipping. With a reinforced steel rod and color fully-absorbed throughout the flagstick, this is the new leader in the clubhouse.

400 DENIER VS. 200 DENIER FLAG FACTS:

FACT #1

Sometimes less is more. 400 denier is relatively new to the industry and typically used on sailboats.

FACT #2

The purpose of a golf flag is to show where the cup is and to help golfers judge wind speed. It takes a 7 to 10 mph wind to get a 400 denier flag waving. It takes a 3 to 5 mph wind to get a 200 denier flag waving. Advantage: 200 denier. Plus, the heavier 400 denier flag wears out ferrules, flagsticks and cups quicker.

FACT #3

Golf flags are meant to fly. Sails are meant to propel sailboats. One has nothing to do with the other. So trust us when we tell you the only time we recommend 400 denier is usually when we're talking to sailors, not superintendents.

All nylon flags made with DuPont SolarMax Nylon.

BEST WAY TO FLY!

Standard Golf's special quad-stitch process ensures a more durable flag that flies true in any wind. Look at the difference! Four rows of stitching instead of two, and wider edges that reduce wear.

PUTT-SAVER TOURNAMENT FLAGSTICK

**COMING
SPRING 2019!**

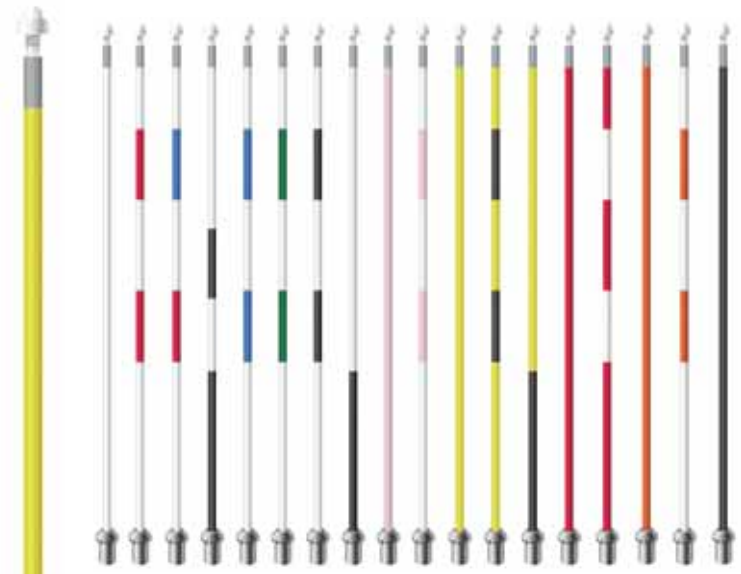

Beginning in January 2019, both the USGA and R&A have changed the rules of golf to allow a player to leave the flagstick in the hole while putting from the green. This new rule will help speed up play, but with Standard Golf's "Putt-Saver" Technology may also help you drain a few more putts.

The Putt-Saver Technology is a precisely tapered flagstick angled to direct your ball into the cup.

In addition to the Putt-Saver Technology, this new flagstick will also come in two pieces – saving costs when shipping. With a reinforced steel rod and color fully-absorbed throughout the flagstick, this is the new leader in the clubhouse.

TIP Standard Golf recommends inside sharpened cutting blades primarily for sand greens. They pack the sand tighter and hold it more firmly in place.

Trouble disengaging plugs? Spend just a few minutes sanding the inside of the blade with emery paper. You'll be amazed at how much easier it is to unplug.

WARRANTY: Standard Golf Company warrants its products to be free from defects in materials and workmanship within a period of one year from the date of purchase. Standard Golf's sole responsibility under this warranty shall be to repair, replace or refund the price of the defective product or component. All such repairs, refunds and replacements are subject to such rules, terms and conditions as Standard Golf may promulgate from time to time.

DISCLAIMER OF OTHER WARRANTIES: The foregoing limited warranty is in lieu of all other warranties, expressed or implied, including merchantability or fitness for a particular purpose. In no event shall Standard Golf be liable for any indirect, consequential or special damages of any nature whatsoever.

IMPORTANT NOTICE: United States Golf Association logos appearing in this catalog are for illustrative purposes only. They do not imply endorsement by the owners of the designs.

The use of the word 'tour' in connection with any product in this catalog does not imply a relationship with, or an endorsement by PGA TOUR, Inc.

Sizes, weights, dimensions and descriptions given in this catalog are nominal only, and may change slightly from time to time due to changes in materials and production methods. Colors are approximate, and may change slightly among different products.

Prices shown in this catalog are effective January 1, 2019 and are subject to change without notice.
