THE MOST TRUSTED BALL IN GOLF

In golf and in business,
it's wise to choose a strong partner.

At the game's highest levels,
superior product performance is
what matters most. That's why,
week in and week out, more of the
world's best players trust
the tour-proven performance and
consistency of Titleist golf balls.

These are also the reasons why
more of the world's most prominent
clubs and corporations choose
to associate their brand image with
Titleist, the golf ball performance
and quality leader.

OVERVIEW

OVERVIEW

OVERVIEW

Titleist is committed to meeting and exceeding the expectations of golfers worldwide by designing and producing golf balls of superior performance and quality that provide golfers with a competitive advantage.

From the most played and best selling Titleist Pro V1 and Pro V1x, to the soft, premium performance AVX, the high performance Tour Speed and Tour Soft, the explosive Velocity and soft feeling TruFeel, Titleist offers category leading golf balls in each segment of the market to satisfy preference options like color, feel and price.

We also offer the Pinnacle line of golf balls. The high powered Rush golf ball is built for pure distance while the low compression Soft is built for distance with an extremely soft feel.

TITLEIST®

PREMIUM PERFORMANCE LINE

Titleist® Pro V1® golf balls deliver total performance and feature long distance, very low long game spin, penetrating flight, Drop-and-Stop™ greenside control and very soft feel.

White golf balls are available with play numbers 1-4, and all the same play number 00 or 1-99. High optic yellow golf balls are available with play numbers 1-4.

Titleist® Pro V1x® golf balls deliver total performance and feature long distance, high trajectory, low long game spin, Drop-and-Stop™ greenside control and soft feel.

White golf balls are available with play numbers 1-4, and all the same play number 00 or 1-99. High optic yellow golf balls are available with play numbers 1-4.

Titleist® Pro V1x® Left Dash golf balls are designed for players seeking a high flight similar to Pro V1x with dramatically lower full swing spin, producing long distance and firmer feel.

White golf balls are available with play numbers 1-4.

NEW

Titleist® AVX® golf balls deliver longer distance along with a very soft feel and are constructed with high-performance urethane for more precise control on shots into the green.

White and high optic yellow golf balls are available with play numbers 1-4.

TITLEIST®

PERFORMANCE LINE

Titleist® Tour Speed golf balls are multilayer thermoplastic urethane covered golf balls providing exceptional distance in the long game and precise short game scoring control.

White and high optic yellow golf balls are available with play numbers 1-4.

Titleist® Tour Soft golf balls deliver commanding distance, responsive soft feel and all-around high performance.

White and high optic yellow golf balls are available with play numbers 1-4.

NEW

Titleist® Velocity™ golf balls are engineered for high speed, maximum distance and are available in white and three distinct color options for maximum fun.

White golf balls are available with play numbers 1-4.

NEW

Titleist® TruFeel™ is the softest Titleist golf ball, now longer with improved feel around the green. All with the quality you expect from the #1 ball in golf.

White and high optic yellow are available with play numbers 1-4.

PINNACLE®

Pinnacle® Rush is designed to deliver extraordinary distance helping golfers of all abilities hit the ball farther with every club. The high energy core along with a soft cover and advanced 332 icosahedral dimple design combine for a powerful, consistent ball flight for long distance with every club.

Available in white and yellow. Also available in 15 ball packs.

Pinnacle® Soft is designed to give golfers an incredibly soft feel and help them hit the ball longer. The high energy, low compression core combined with a soft cover and advanced 332 icosahedral dimple design create low spin for longer shots and a soft feel.

Available in white. Also available in 15 ball packs.

CUSTOM GOLF BALL GUIDELINES

KEY POINTS

- Supplying PMS (Pantone® Matching System) colors is preferred for accuracy.
- Artwork received without PMS colors will be set up to match supplied image.
- Long lines of text or text printed in light colors will not reproduce well. We suggest using dark colors and removing or stacking long text for best appearance.
- Printing capabilities are limited to 5 colors, however, we can manipulate artwork to generate multiple colors using half-tones, gradients and CMYK process inks.
- Logos/imprints on non-white golf balls are recommended in black ink.

FILE TYPES ACCEPTED

Preferred ▪ .ai ▪ .pdf ▪ .eps
Also accepted ▪ .jpeg ▪ .bmp
